“ Florida native wildflowers in the
landscape:
Methods forestablishment and
management on roadsides ”

The presentation will provide a brief overview of programs that promote the use of Florida's native wildflowers in the landscape. Topics will include developing sources of certified, local ecotype seed and research on establishing native wildflowers. Special focus will be given to establishing and managing native wildflowers on roadsides.

Location: Cathy Kerby Room (Room CE-340)
Smithsonian Institution, National Museum of Natural History
All are Welcome.

As usual, light refreshments will be served.

Pre-meeting dinner: 5:30 P.M. at the Elephant & Castle Pub and Restaurant, 1201 Pennsylvania Ave., N.W., Washington. Phone 202-347-7707. The restaurant is diagonally across from the Old Post Office Pavilion at 12th and Pennsylvania, a few blocks from the Museum, with Federal Triangle the nearest Metro station, and Metro Center also nearby.

Let Larry Dorr know if you are coming to the meeting by December 31 so that he can arrange for badges. DORRL@si.edu
